We believe in students who show resilience, compassion, and a deep commitment to making the world better. Our annual scholarship program is in its 25th year and has awarded $1.9 million. Our program supports high school seniors who believe the best and never stop striving. Here, we've learned the best way to go forward is by giving back.

We're Independence Bank. We're Here. For Good.

Our scholarship program considers financial need, community involvement, academics, and extracurricular activities as we select deserving recipients each year.
